Details

There is a summing error in Table H2.1: Dwelling Completions 2006 to 2015 & Extant Planning Permissions at 31st March 2015 on page 14. The figure in the 'average annual' row and the '2006 to 2015' column is incorrectly provided as 205. **The correct figure is 114.**

The amended table is provided on the following page of this addendum.
